

Aadi Kesharwani

Senior Power BI Developer | BI & Analytics Consultant

✉ aadi.kesharwani.work@gmail.com ☎ +91-8094376878 📍 Pune, India 🔗 LinkedIn

PROFESSIONAL SUMMARY

Senior Power BI Developer and BI & Analytics Consultant with **3.5+ years of experience** delivering end-to-end, cloud-based BI solutions in consulting and enterprise environments. Strong blend of business consulting, data analysis, BI development, and partial data engineering. Proven expertise in **Power BI, Advanced DAX, SQL, Cloud Analytics, Data Modeling, and Automation**, with leadership, mentoring, and client-facing experience.

SKILLS

Business Intelligence & Analytics: Power BI (Desktop, Service, Mobile), KPI Dashboards, Executive Reporting, Data Analysis, Data Visualization, Data Storytelling, Advanced DAX, Time Intelligence, Power Query, MS Excel

Data Engineering & Backend: SQL (Advanced), Analytical Queries, Window Functions, Data Warehousing, Data Modeling, Performance Optimization

Cloud & Platforms: Cloud Analytics Platforms, Enterprise Cloud Data Warehouses

Security, Operations & Governance: Dynamic Row-Level Security (RLS), Gateways, Scheduled Refresh, Post-production Validation & SIT Testing

Automation & Scripting: Python (Basic), Dataset Refresh, User Access & Report Migration, Data Quality Checks

Tools: Power BI Desktop & Service, MS Excel, DAX Studio, SQL Workbench, VS Code

PROFESSIONAL EXPERIENCE

ZS Associates — Pune, India, Associate – Power Platform Services | Apr 2024 - Present

- Working as a **Senior Power BI Developer** delivering cloud-based analytics solutions in a client-facing consulting environment.
- Owned end-to-end BI delivery: requirement analysis, data modeling, dashboard development, deployment, and post-go-live optimization.
- Delivered **8+ enterprise dashboards in 3 months** with **80%+ user adoption**.
- Built analytics for leadership, sales, marketing, medical, and operations teams.
- Designed optimized data models and developed advanced, performance-efficient DAX to handle dynamic filters, user context, and complex business logic.
- Implemented **Dynamic Row-Level Security (RLS)** across territory, region, and national hierarchies.
- Reduced dataset refresh duration through optimized modeling and refresh strategies, contributing to cost efficiency.
- Established post-production validation and governance processes by creating daily dashboard checklists, performing data validation using SQL queries, and maintaining up-to-date user guides for business users.
- Acted as **Primary Power BI POC**, collaborating with stakeholders, data engineers, and BI admins.
- Mentored and trained a junior Power BI developer after senior-level progression.
- Managed **13 dashboards concurrently** across multiple engagements.
- Rotated **50% into backend engineering**, contributing to SQL development, data modeling, and performance tuning.

Celebal Technologies — Pune, India, Associate Power BI Developer | Jan 2022 - March 2024

- Developed **enterprise Power BI dashboards** for multiple clients across industries.
- Integrated data from **SQL Server, SAP, SharePoint, Smartsheet, and Oracle**.
- Built advanced DAX measures, drill-through reports, bookmarks, and optimized dashboard UI.
- Managed Power BI Service deployments, gateways, scheduled refreshes, and end-user training.
- Supported testing, deployment, and adoption of BI solutions.

CERTIFICATES

Microsoft Certified: Power BI Data Analyst (PL-300)

Microsoft Certified: Azure Fundamentals (AZ-900)

Microsoft Certified: Azure Data Fundamentals (DP-900)

Microsoft Certified: Azure Enterprise Data Analyst (DP-500)

SQL Certification

Basic, Intermediate, Advanced

EDUCATION

B.Tech – Information Technology | 08/18 - 04/22, Galgotias College of Engineering & Technology | GPA: 8.5

KEY ACHIEVEMENTS

“Pat on the Back” Award for performance excellence

Recognized as a critical resource with formal appreciation for performance and ownership.

Sports Achievements 🏆: Badminton Doubles, Foosball, Cricket
